

# LIVING AND WORKING IN THE UK NURSING EDITION

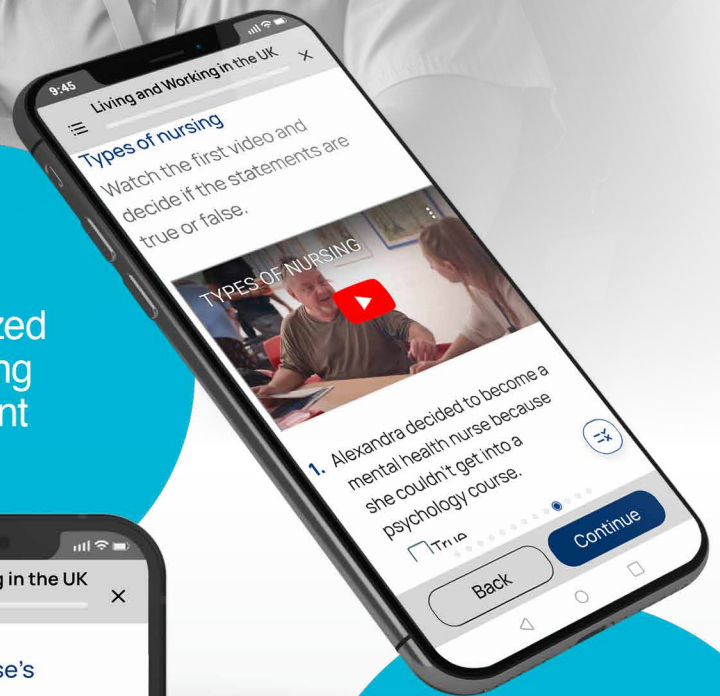

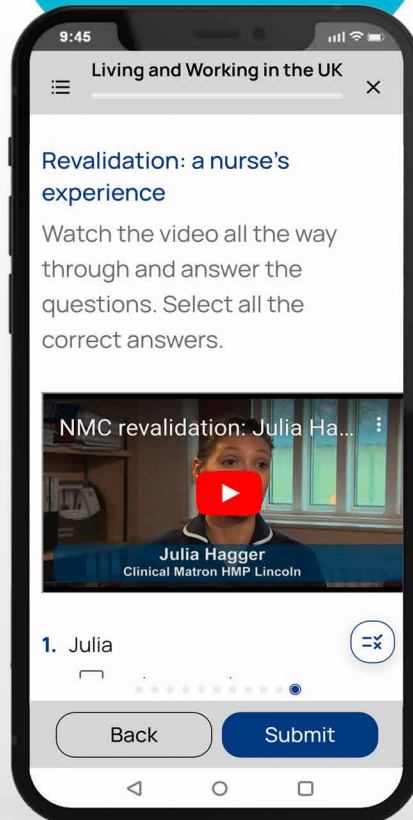

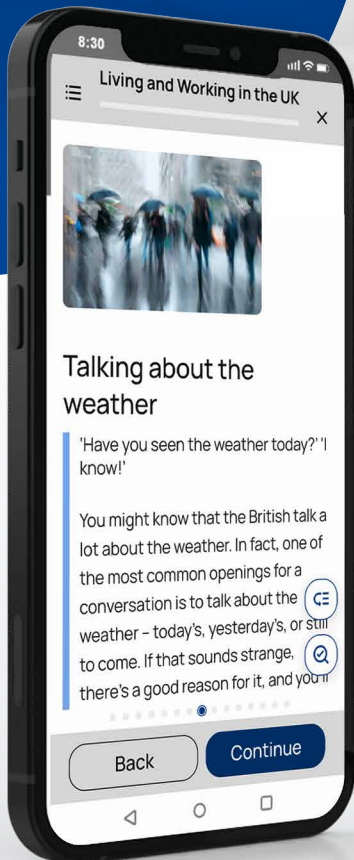

WELCOME TO THE NHS

equips nurses with essential knowledge

bite-sized learning content

highly visual and engaging

## Why take this course?

This short course is for nurses relocating to the UK. It provides them with the essential knowledge they need to successfully settle into the UK as a nurse.

The course is highly visual and engaging. It includes lots of videos and useful reading, information from the NHS and NMC, language and comprehension tasks to check understanding, and links to a wide range of websites to explore and read further.

*“The course is absolutely brilliant. It covers lots of useful points. I like in particular the unit about accents, dialects and idioms and also the ones about the NMC and the Code.”*

**Simona Bertolo**, Divisional Director,  
Medacs Healthcare
